MA and NH FY2015 Permits and Other 100914.xlsx

Here's a revised version of the FY15 chart of permits. Please make assignments and bold the names of those that you are making a priority for the permit writing to issue or make significant progress on during FY15.

The tier column is a scale of difficulty with: 3=most difficult, 1= least difficult

Feel free to update the "who" column as well, although I plan to do this before the MassDEP meeting.

Thanks.
